

عندك حقوق و ان لم تملك
اوراق قانونية.

You have rights – even if
you're undocumented!

Работа без документов ...
но не без прав!

你享有权利 – 即使你没有合法文件!

¡Tú tienes derechos –
aunque no tengas papeles!

بدون اجازہ کار

ولی نه بدون داشتن حق کار

You have rights ...

Low pay or no wage at all?
You can sue your boss.

Accident at work or sick?
**You're entitled to health care and
get a paid sick leave.**

No vacations?
You can demand your rights.

A 14-hour workday and just
8 hours' wage?
There is still some money missing!

... even if you're undocumented!
